

MEALS FOR VIRTUAL LEARNING DAYS

Beginning Thursday, September 17, Breakfast & Lunch meals for children NOT in school that day will be available daily for pickup (with a reservation) at the Southmoreland Middle School kitchen door in the back of the building from 9:45 - 10:30 a.m. on days school is in session. Additionally they will also be available from 7:00 a.m. - 7:30 a.m. every weekday school is in session EXCEPT on Wednesdays.

Parents/Guardians may pick up meals for all their children who are learning virtually that day, regardless of what school they attend. Students who are licensed drivers may pick up meals without a parent present. We will be following district safety protocols; masks are required. Children do not have to be present and meals can be reserved for children under school age as well. Until further notice, these meals will be free, since they fall under the U.S.D.A. and Pennsylvania Department of Education Summer Meal Program flexibility waivers. You do not need to complete a free/reduced meal form to complete this benefit. Families that typically apply may elect to do so, as this no cost benefit may expire at any time before December 31, 2020. Meals may be different than the school menu. Breakfast will include an entree/grain, juice or fruit and 1% white milk. Lunch will include an entree (protein with grain), a fruit &/or vegetable and fat free chocolate milk.

Reservations are required for each day; please complete a google form (found under “announcements” on the district home page www.southmoreland.net) for each child by 7:00 p.m. the previous day.

Your patience and understanding is appreciated as we navigate through this new process in our department while maintaining program accountability and integrity and continuing to provide meals to our AB hybrid students in school. Menus, pick-up days and times and the need for reservations *may* be subject to change. Advance notification will be provided.
