

At this time there will be no spectators permitted at Monday's 10/5 volleyball game vs Belle Vernon. This is due to the THIRD CIRCUIT COURT OF APPEALS – STAY ORDER ON GATHERINGS ruling on Governor Wolf's 25/250 spectator guidelines. The administration and board are paying close attention to any news/changes that will come from the Governor's office in the next week.

The PIAA has issued a statement regarding this outcome;

THIRD CIRCUIT COURT OF APPEALS – STAY ORDER ON GATHERINGS

This afternoon we received information that the Third Circuit Court of Appeals issued a stay of Judge Stickman's decision striking the Governor's COVID-19 restrictions in several areas. The most important for our purposes is the limitation on gatherings.

We are hopeful that there may be some modifications to the restrictions. Governor Wolf stated the following to pennlive.com this afternoon: Pennlive

"At the same time, we've got to make sure that we're being reasonable and realistic about how we do things. I'm doing everything I can listening to folks, and continue to change as I did with restaurants, and we'll continue to look and make sure that the guidelines we have in place are reasonable."

"Right now, we're back to the 250, but as I say, I'm working right now with school districts and others to do what we can to recognize the contexts that are different in every community," Wolf said.

"Stay tuned, we're working on it as we speak."

As result of this, PIAA interprets the Governor's Order of the 25 (indoor) and 250 (outdoor) limitations on gatherings (spectators) are back in effect. PIAA is informing member schools of the decision and encourage them to consult their solicitors as to what they can and cannot do under the Governor's reinstated order.

For PIAA District and Inter-District playoffs, and absent revised guidance from the Governor, we will comply with the 25 (indoor) and 250 (outdoor) limitations on people in attendance at playoff contests.
