Dear parents and guardians,

As we approach the conclusion of the quarter, a reminder that all student work for the current nine weeks must be completed and turned in to teachers for grading by the close of the day on Friday, January 15, 2021. Grades for the quarter will be entered on Friday, January 22, 2021 and report cards will be posted on Friday, January 29, 2021.

Teachers and counselors will continue to reach out to those families of students with whom we have had difficulty making contact. Please feel free to contact your child's teachers, our counselors or myself regarding your child's learning at any time. The phone numbers for our elementary schools may be found at the top of this letter. Email contacts for teachers, counselors and myself may be found on our school webpage (www.southmoreland.net).

We remain committed to assisting and supporting students and providing the best experience we can given these challenging times. Thank you in advance for your assistance and support in this work--both are greatly appreciated.

Very respectfully,

Dr. Clara
