

Southmoreland School District

Daniel A. Clara, Director of Pupil Services

609 Parker Avenue
Scottsdale, PA 15683
Phone: 724-887-2009

Dear Southmoreland Families:

For the 2011-2012, the Southmoreland School District plans to offer a cyber option, the Southmoreland Online Learning Academy, to students in grades 9-12 with a plan to extend the online offerings to students in other grade levels in the near future. The Southmoreland Online Learning Academy is a hybrid model that provides both an online school option as well as a blended learning choice that allows students to attend selected courses on campus and others online. The purpose of the Southmoreland Online Learning Academy is to offer our families choice and flexibility in structuring a schedule that best fits your student's individual needs.

In order to continue our development of this new and exciting program, we ask that you help us by providing some information. Please take a few minutes and complete the brief survey we have attached or complete it online at <http://www.surveymonkey.com/s/9SNBMT5>.

You may also mail the attached copy to:

*Mr. Daniel Clara
609 Parker Avenue
Scottsdale, PA 15683*

Your participation in our survey will assist us in designing the best possible program for you and your children. Thank you in advance for your help.

Should you have additional questions, please feel free to contact me at (724) 887-2009. Best wishes for a safe and enjoyable summer.

Sincerely,

Mr. Daniel Clara
Director of Pupil Services, Southmoreland School District
