November 7, 2019

Dear Parents/Guardians:

In May 2019, your son/daughter completed the Keystone Algebra I exam. These exams satisfy the state and federal testing requirements for mathematics. Students that did not achieve the level of Proficient or Advanced on the Algebra I exam are required to re-test based on the following schedule:

Algebra I January 7-8, 2020

I ask that your child get a good night's rest during the testing period and encourage you to have your child at school on time. Testing will begin promptly at 8:00 AM. All students will be tested at the same time.

Students that arrive after 8:00 AM will complete their test during a scheduled make-up session.

The Pennsylvania Department of Education's explanation of the Keystone Exams is enclosed along with a copy of the Code of Conduct for Test Takers. Please take the time to familiarize yourself with this information.

If you have any questions, please contact our school counselors, Mrs. Andrea Hanford (hanforda@southmoreland.net) or Mrs. Angela Selembo (selemboa@southmoreland.net) at 724-887-2013.

Sincerely,

Daniel Krofcheck
