Southmoreland School District K-12 Return to School Plan

Helpful Tips to Understanding the Return to School Plan

The RETURN DATE signifies a change from the A/B Hybrid Instructional Model to a 5 day per week In-Person Instructional Model for the school district. Once the district returns to school for their 5 day per week in-person instruction, they will attend Monday - Friday. Additional return to school information relative to your child's specific grade level or school will be coming from each of the individual buildings. Please note that we are still providing a 5 day per week remote option for students that choose to not attend in-person at all. Please be certain to contact your child's school if they intend to change their mode of instruction. **Social Distancing will be followed to the greatest extent possible. Face coverings must be worn at all times.**

All plans contingent upon continued decrease in COVID-19 cases per 100,000, Percent Positivity Rates, Community Spread Categorization and Building or District Positive Cases.
